

## Qualification

- LL.B, Delhi University
- B.Sc. (PCM)

## Practice Focus

### Litigation

Kapil is an experienced legal professional specializing in intellectual property (IP) law, specifically in patent and design enforcement, protection, advisory, and transactional work. Kapil has been actively practicing in the field since 2013.

At K&S Partners, Kapil focuses on patent and design litigation, enforcement, protection, and dispute resolution for clients across various technology sectors. He provides strategic advice on infringement analysis, due diligence, freedom to operate, and other IP-related matters, including expertise in biodiversity laws and plant variety protection laws.

Kapil has also represented clients in writ petitions before different High Courts in India. He also regularly appears before High Courts for patent and design prosecution, opposition, and enforcement cases.

Prior to joining the firm, Kapil worked with an International IP Asset Management Organization for 3 years and a boutique IP Law Firm for 7 years.
