Practice Focus

Patents Pharma & Chemistry

Naresh assists in drafting and prosecution of patent applications in the areas of pharmaceuticals, chemistry, medical diagnostics, therapeutics, agricultural, nutraceuticals, polymer chemistry, chemical engineering, materials science, metallurgical engineering, bio-pharmaceuticals, biochemistry and biotechnology.

Naresh assists clients in managing their patent portfolios. He also assists clients in rendering opinions on the validity and enforcement of patents, patent landscape, patentability, freedom to operate (FTO), infringement analysis and due diligence.

Naresh regularly appears before the Indian Patent Office in connection with prosecution and enforcement of patent rights.

Naresh is a regular speaker at various domestic IP forums and is involved in IP awareness and training programmes.

Prior to joining the firm, Naresh worked as a Senior Executive with a prominent life science research organization in Bangalore.
