

ANAND CHOUBEY

Partner – Mechanical Engineering, Design, Patent & Design Valuation

Leading Patent Expert with Cross-Industry Expertise

Anand advises corporate clients, multinationals, MSMEs, startups, and universities across domain areas from mechanical to bio-medical engineering.

QUALIFICATIONS

- LL.B
- M.Tech (Industrial Tribology & Maintenance Engineering) – IIT Delhi

Registered Patent Agent
DSCI Certified Privacy Lead
Assessor (DCPLA©)

Admitted to the Bar

PRACTICE AREAS

- Patent
- Design (Mechanical Engineering)

EXPERTISE

- Mechanical Engineering
- Mechanical Engineering
- Electro-mechanical Equipment
- Automotive Systems
- Electric Vehicles
- Battery Technology
- Autonomous Driving Assistance
- System (ADAS)
- Automotive Components

EXPERIENCE

In patent matters in the area of tribology, material sciences, acoustics, noise & condition monitoring technologies, and Non-Destructive Techniques (NDT)

PATENT LEADERSHIP

Provides opinions on patentability, freedom-to-operate, due diligence & infringement analysis along with managing patent & design portfolios for Indian & multinational clients
