Practice Focus

Patents

Abhishek assists in patent enforcement and protection and dispute resolution for clients in the areas of pharmaceuticals, medicinal chemistry, organic chemistry, biochemistry and biotechnology.

He also provides opinions on the validity and enforcement of patents, infringement analysis and assists clients with due diligence, technology transfer including regulatory aspects in the field of pharmaceuticals. He is also responsible for providing opinions and assisting clients on the enforcement and infringement analysis of their design rights.

He regularly appears before the Indian Patent & Design Office, Intellectual Property Appellate Board, various High Courts and Supreme Court in connection with patent and design prosecution, opposition and enforcement.

Prior to joining the firm, he worked as a litigator in a Noida based law firm.
