Practice Focus

Trademarks/ Copyrights

Shashank advises clients on various intellectual property (IP) matters, such as anti-counterfeiting and IP infringements, as well as providing opinions. He has considerable expertise in tech-enabled crimes and works with the team on cases involving cybercrime by providing them support in digital analysis, and cyber forensics.

He regularly appears in various courts of Delhi-NCR. Prior to joining the firm, he worked with an independent lawyer in Delhi.

Professional Membership(s)

- Bar Council of Delhi
