

# NISHANTH K PRASAD

Partner - Patent (Electronics & Communication Engineering)

## Experienced patent professional in managing IP in wide areas of technology

Nishanth handles patent drafting, filing and prosecution in the areas of electronics, electrical and computer science.

### QUALIFICATIONS

- B E (Electronics and Communication)

Registered Patent Agent

### PRACTICE AREAS

- Electronics & Communication Engineering

### EXPERTISE

- Semiconductors
- Industrial Automation
- IoT
- Robotics
- Medical Devices
- 4G/5G Communication
- Data Science

### DOMAIN EXPERTISE

Nishanth handles matters in wide technology areas of embedded systems, telecommunication, semiconductors, industrial automation, power systems, automotive solutions, Internet of Things (IOT), sensor technology, medical devices, aviation, robotics, cyber security and data science. He also provides opinions on freedom-to-operate, patent landscapes, due diligence, budget analysis, infringement analysis and patentability opinions. He regularly appears before the Indian Patent Office in prosecution of patent applications.
